(*Designation*) Collector of South Kanara.

To The Secretary to the Board,

Land Revenue, Madras.

Sir,

The Chairman, Karkal Informal Panchayat, formed --- under G.O. No.1695 L, Local and Municipal Department ----- (Local), dated 10th November 1917, applies for the grant of Government waste S.Nos. 148/1A 3E & 148/1A 3F of Karkal Town, -- measuring 5.56 acres in extent free of assessment and also free of seigniorage on the tree-growth existing thereon -- for the purpose of converting the land into a public ----- recreation ground. He is willing to take up the land --- subject to the conditions laid down in G.O. No.856, dated 12th April 1907, communicated with B.P. No.1339 Mis., dated 10th May 1907, relating to the transfer of the Mangalore - Cantonment maidan to the control of the Municipal Council.

2. It appears that there is a [illegible] in the middle of the block and the Chairman [illegible] in consultation with the Local Sanitary Officer he will have the latrine removed to an unobjectionable corner of the ground. The President, Taluk Board, Kankal, has no objection to the Panchayat doing so. As the ground is a playground and the Panchayat has to make it fit for the recreation ground, the Chairman requests that he may be permitted to clear the land of the tree-growth existing there and to utilize the sale proceeds of the trees for the cost of levelling the ground, etc. The value of the tree-growth is estimated at Rs.100-12-0 according to the enclosed estimate notes.

3. The land in question is the only vacant land available in the town of Kankal and I consider its reservation as a recreation ground quite desirable. The Panchayat undertakes the responsibility of improving it and keeping it in order for recreation purposes. I think the idea is a good one in the interests of the health of the town people and I accordingly recommend that the Board may be pleased to move the Government to sanction the transfer of the plots to the control of the Informal Panchayat subject to the conditions laid down in the Government Order relating to the transfer of the Manchalore Commons mentioned above. Sanction for the tree-growth may be given and the Panchayat allowed to sell the trees and utilize the sale proceeds for improving the condition of the ground.

Yours obedt. servt.

Refce 24-02

As the informal panchayat has no legal status, the Board considers it inexpedient to eliminate the land in its favour. If the Dy. Board on the other hand, the Dy. B.D. agrees to take over the land with a view to get it developed through the Panchayat, the Board will have no objection to sanction the grant. The Collector is requested to ascertain the views of the Dy. B.D. in the matter after ascertaining the views of the Dy. B.D. in the matter.
